#### **STREET COMMITTEE REPORT**

Street Committee Chairman Freeman Dudley reported on the meeting of June 28, 2004. The Committee discussed improvements to Wade Hampton Road, a secondary tower for the Dyersburg Electric System, street conditions on Hornbrook Street and Fair Street and operation of the knuckleboom.

On a motion by Aldermen Dudley and Lee, the erection of a utility pole as a base for a secondary communications antenna for the Dyersburg Electric System was approved at the Gordon Street Water Tank provided EOC Manager Mark Grant confirms that it will not interfere with the City's emergency system.

On a motion by Aldermen Dean and Lee, the City Engineer was directed to work with the developer of Hampton Place to design the absolute necessary improvements assuring safety and adequate traffic flow and to come back to the street committee for review.

#### **FINANCE COMMITTEE REPORT**

Finance Committee Chairman Lewis Norman reported on the meeting of June 30, 2004. The Committee reviewed Storm Water Manager Scott Jackson's presentation of a proposed Storm Water Ordinance. The Committee took the document under advisement and will consider changes at a subsequent meeting.

#### **AIRPORT COMMITTEE REPORT**

Airport Committee Chairman Bob Dean reported on the meeting of July 1, 2004. The Committee discussed the future of the airport. Mr. Jere Davis and Mr. Jerry Brewer both expressed interest in building on Parcel Number 9 on Airport Road.

On a motion by Aldermen Dean and Lee, the motion called for the acceptance of proposals for development on Parcel Number 9 at the airport. The proposals to be reviewed by the Airport Committee with a recommendation to the Board at their July 19, 2004 meeting.

#### **MISC.**

**Mayor Revell** called a Public Safety Committee meeting for July 8 to discuss County funding of a new fire truck.

**Alderman Kirk** requested that the Recreation Committee review the budget at the golf course and if necessary increase fees to prevent a deficit.

**Alderman Guthrie** remarked that the City Golf Course is attractive, inexpensive and an asset to the community.

**Alderman Dean** inquired about use of the street sweeper and TDOT's review of the intersection of Mall Boulevard and Parr Avenue.

**Alderman Lee** inquired about the trimming of weeds along sidewalks and ditches.

**Alderman Moody** requested repair of rusty portions of cemetery fence, emergency siren tones be set for maximum coverage, bank erosion on Crossgate Ditch be repaired, and the sewer wash truck be used to help citizens whenever possible.

**Alderman Norman** asked every Alderman to study the proposed Storm Water Ordinance. He inquired about the county's participation in filling the flood plain area of the Hoff Road Industrial Park.

There being no further business, the meeting adjourned at 7:29 p.m.
